Injured by Falling From Train.

A man giving his name as James Wilson narrowly escaped instant death Tuesday afternoon by falling from the rear end of an L. & E. passenger train near Rosslyn.

Wilson, who was under the influence of liquor, boarded the train at Stanton and stood on the rear platform of the rear coach. He is subject to fainting spells and was attacked by one of these spells shortly after the train left Stanton. He fell from the platform to the track as the train was running at the rate of about 20 miles. His face was cut badly. He was picked up and carried on the train again, but became so violent that he had to be put off at Bowen.

OVERFLOW LOCALS.

Born, to Mr. and Mrs. O. W. Easter, Wednesday, July 6, a son.

Mr. and Mrs. Harry Shattuck, of Lexington, are visiting relatives in the city.

W. T. Stringer left Tuesday for Indiana where he contemplates locating with his family. He will be succeeded in the painting business in Clay City by D.

B. Simpson, who has bought his hooks ladders and etc.

The ladies of the Powell's Valley Baptist church will give an ice cream supper at the church Saturday night the proceeds of which will go for the benefit of the church. Saturday and Sunday are regular preaching days at the church.

The colored folks of Clay City had their picnic Monday as advertised. They had a "hullabaloo" of a time. The one Charlie Holly, of Indian Fields, accidentally shot himself while handling a pistol. Several scraps are said to have taken place during the day.

The enterprising managers of the Fourth of July picnic got out a paper called the "Picnicer" on their day. It was a neat little sheet filled with local advertising and reading matter. The paper was distributed gratuitously among the people. If you didn't get a copy call for one at the Times office.

American Book Company Wins.

The state school book commission this morning adopted for five years the list of school books submitted by the American Book Company, of Cincinnati, for use in the common schools, that list having received the votes of over one hundred of the county boards of the state.

Some Fine Potatoes.

Mr. J. T. Utterback, the well-known market gardener, who lives on Cane Run avenue, left at the Democrat office Wednesday a sack of the handsomest Irish potatoes our eyes ever beheld. There were twenty-four potatoes in the sack, and they measured a full peck. One of the potatoes measured twelve inches in circumference. Mr. Utterback has 2 acres of these potatoes and it is claimed by everyone that he will get 1,000 bushels from the two acres. He has already sold about forty bushels at \$1 per bushel.—Harrodsburg Democrat.

True to the Minute

is the way your watch should keep time. If it doesn't it "needs fixing." You should take it to W. T. Webb at once and have him repair it for you. A guarantee of one year goes with all work.

An Ordinance.

Whereas, the Lexington & Eastern Railway has erected an overhead bridge across their line of railroad in the town of Clay City, with the understanding that the present grade crossing at the eastern end of the cut of said railroad through said city should be closed up, therefore

Be it Ordained by the Board of Council of Clay City

That the Street Committee's report of acceptance of said overhead crossing be now accepted, and that said overhead crossing be hereafter be kept in repair and maintained by said city, and that the grade crossing at said railroad at the eastern end of the cut in said city be now closed.

J. H. TERRY, Mayor. Attest: J. E. BURGER, Clerk.

An Ordinance.

Whereas, there is a general demand for a bridge crossing Red river at some point entering Clay City by our citizens, and,

Whereas, the same seems to be of great necessity to the proper growth of our city, Therefore,

Be it Resolved, that this body take definite action by providing for the construction of such structure through the manifestation of interest on the part of citizen in a substantial way. To this end the ordinance below follows.

The City Council of Clay City, Ky. do ordain as follows:

Sec. I. That \$1,000 of the revenue coming into the City Treasury during the remainder of the year 1904 shall be set aside for the construction of an iron bridge crossing Red river at or near the present crossing at Waltersville; the same to be used for no other purpose, save that of constructing the bridge; provided, however, that this amount is supplemented by a cash subscription of from \$1,000 to \$1,500, to be paid at a time when the Council may elect, and the bridge is assured.

Sec. II. That a certain per cent. of all collections from taxes or otherwise may be held as reserve in Treasury to pay balance the city may owe on bridge.

Sec. III. That when the amount provided for above is subscribed and made good, the Mayor and Clerk are authorized to advertise for bids for the construction of said bridge and award or reject same with the approval of the council.

This ordinance shall be in full force and effect from and after publication. J. H. TERRY, Mayor. Attest: J. E. BURGER, Clerk.

(Irvine Herald.)

Born, to Mr. and Mrs. Hugh Riddell on the 14th inst., a girl.

Born, to Mr. and Mrs. R. A. Smethers on the 24th inst., at Miller's Creek, a 11 pound boy.

It was reported here yesterday that J. B. Rice, a prominent farmer of Station Camp, was at the point of death. His illness is presumably caused by eating peas, causing cholera morbus.

S. R. D. K. Watson, aged 82 years, died at his home at Cobb Hill Saturday after a lingering illness of several months. He was a prominent citizen having served many years as magistrate in the Miller's creek precinct also as deputy sheriff for the county. He was the father of many children.

Seedless Apples on Exhibition

Several bushels of seedless apples from Colorado are on exhibition at the World's Fair. This improved seedless apple, like the seedless orange, is the result of the scientific work of horticulturists. The apple tree is blossomless and the fruit is free from worms and hardy enough to endure the severest frost. The blossomless feature of the new tree is one of its most striking peculiarities and will make it a favorite with fruit growers, especially in cold climates. Already seedless apple nurseries have been started in several States, and seedless apple buds are in great demand.

Desirable House for Sale.

We have listed with us a desirable two-story residence with four 25 x 120 foot lots, located in the upper portion of town. This house contains 7 rooms with the required out buildings. Is a nice home for some one with little money. For particulars, call at this office.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

SPOUT SPRING.

Several from this place attend-
ed the big picnic at Clay City
Monday.

Marvin Enbank was in Win-
chester last week on a business
mission.

Mrs. Eva Enbank visited rela-
tives in Clark county a few days
this week.

Mr. Joseph P. Wright left
Friday for a visit to relatives
in Madison county.

Mrs. Belle Burgher and chil-
dren spent the day in Clay City
Friday with her sister.

Tom Prewitt, of near Win-
chester, visited relatives here
several days last week.

Moses McKinney and Rucker
Lewis, of near Mt. Sterling, vi-
sited relatives here several days
the past week.

Whitt Azbill was here last
week and received a number of
lambs which he had previously
contracted for at five cents per
pound.

A very good crowd was pres-
ent at the services at the Bap-
tist church Sunday morning.
Bro. Tharpin will supply for the
church again at the regular meet-
ing the first Saturday and Sun-
day in August.

Miss Eula Wilson, of Waco,
has secured our school and be-
gan teaching Tuesday with the
average attendance. Miss Eula
is a good teacher and the pros-
pects are fine for a successful
school this year. With a six
months term instead of five,
there should be considerable ad-
vancement over the work of for-
mer years.

Sammy Embs, who has the
new mail contract from this
place, began his duties Saturday.
Mr. Embs is very well pleased
with the job. But wait until
the miserable roads appear this
winter and we venture to say he
will be of an altogether different
mind.

Quarterly meeting will be
held at the Methodist Church
near this place, Saturday, July
16 and preaching on Sunday fol-
lowing. Pastor Crawford, as-
sisted by Rev. W. B. Ragan,
of Irvine, will hold a protracted
meeting at the same church,
beginning on Monday night, Ju-
ly 11.

ANNOUNCEMENTS.

FOR SUPERINTENDENT OF SCHOOLS.

R. A. IRVIN, SR. is a candidate for
the office of Superintendent of Schools
of Powell county, subject to the action
of the Democratic party.

FOR ASSESSOR.

JAMES W. WOOLERY is a candidate
for Assessor of Powell County, subject
to the action of the Democratic party.

FOR JAILOR.

GEORGE STEPHENS, of Stanton, is a
candidate for Jailer of Powell county,
subject to the action of the Democrat-
ic party.

In this issue will be found the
announcement of Mr. Geo. Steph-
ens, of Stanton, for jailor of
Powell county subject to the ac-
tion of the Democratic party. Mr. Stephens is a very clever gen-
tleman and a fine Democrat—one who never scratches a ticket. The party would make no mis-
take in nominating such a gen-
tleman as Mr. Stephens. He has
a large following and will make
a strong fight for the nomination
and which if he receives, will in-
sure his election next fall.

After all the hard fight against
the American Book Company,
they are to furnish the school
books in this State for another
five years. This book company
has been robbing the people of
Kentucky for a long time and
when it comes to a pinch they
are willing to cut their prices in
two in order to hold the trade.
To us it looks like this company
should not have been given the
contract as a matter of retaliation
for the excessive prices
charged our people in the past.

Merger of the L. & E.

Negotiations for one of the big-
gest railroad deals ever contem-
plated in Kentucky in recent
years were opened in this city
yesterday, and which began as a
result of the formation of the Ches-
apeake & Ohio Railway in Ken-
tucky decided upon by the direc-
tors of that company at their re-
cent meeting in Ashland. If
these negotiations should be a
success the C. & O. will own and
control one of the best railroad
systems in the State.

It is now being discussed by
the officials of each of the com-
panies involved in the deal, and
if consummated, the change will
take place just as soon as the
new union depot has been built
in this city. That the depot will
be built seems to be an assured
fact and made known by reasons
of these negotiations. As a mat-
ter of fact, the building of a new
union depot is contemplated in
the deal.

The deal has for its primary
object the absorption by the Ches-
apeake & Ohio railway company
of the Lexington & Eastern and

the Ohio and Kentucky railroad
companies. The former runs
from this city to Jackson and the
latter, operated by the Lexington
& Eastern, runs under a differ-
ent corporation and plies be-
tween Jackson and Cannel City.

AN ALL HOME-MADE PAPER.

LOCAL BREVITIES.

Mr. J. M. Welch, of Rosslyn, was in the city Monday.

The largest blackberry crop of recent years is now beginning to ripen in this section.

Samuel Ginter, of Union Hall, was transacting business in the city the first of the week.

J. J. Conner, of Austerlitz, Bourbon county, came up for a short visit to friends Monday.

Dr. Lemming, of Stanton, was down Tuesday and stopped for a brief call at the TIMES office.

Mrs. Sylvia Russell, of Bowen, is spending a few days with friends at the Central Hotel.

W. S. Niblack, of Winchester, visited his mother, Mrs. Polly Niblack, the last of the week.

Misses Susie and Lucy Williams, of Jackson, are visiting their aunt, Mrs. Barrel Akers.

Dr. C. D. Mansfield, of Stanton, was in the city Monday and gave the TIMES a very agreeable call.

Mrs. Alma Sams, little son and daughter, Miss Jodelia, of Winchester, are visiting relatives in the city.

Mrs. J. W. McKinney and daughter, Maud, of Winchester, are visiting friends and relatives here this week.

Dorris Mize and sister, Miss Lizzie, are visiting their aunt, Mrs. Mattie B. Day, at Froze, Breathitt county.

Mr. Orra Snowden and Miss Helen Bennett were married in this city Saturday, July 2, Rev. R. A. Irvin officiating.

Rev. Logan Irvin, of Georgia, left Thursday for his home after a visit of several days to his father, Rev. R. A. Irvin.

We have had several nice showers of rain the past week. It had become very dry in this immediate section and rain was very badly needed.

Dr. Bailey, for a number of years pastor of the Baptist church at Winchester, has accepted a call to the pastorate of the church at Shelbyville.

Judge L. G. Wills, of Sage, was in the city the first of the week. Judge is a good man and is thinking of entering the race for county Judge again.

Prof. W. R. Eubank, formerly principal of the Clay City Graded School, and who now holds that position over the school at Midway, was in the city Monday.

The game of ball played in the ball park Monday between Stanton-Bowen and Clay City resulted in the defeat of the former team by a score of ten to one.

Major J. B. Blackburn, of Stanton, agent for the celebrated light running Milwaukee mower, was in the city yesterday putting up some machines that he had sold.

Elder D. G. Combs, the mountain evangelist, will assist Pastor

L. J. Reynolds in a protracted meeting at the Christian church beginning Monday night, July 18th.

The L. & E. refused to run the regular morning train from Jackson Monday. It was done to prevent the tongs of the mountains from coming below and causing trouble.

Improved Mail Service.

The mail line from here to Union Hall has changed time. Instead of leaving Clay City early in the morning as formerly, it now waits for the up train mail in the morning. This is a considerable improvement.

Fatalities of The Fourth.

The celebration of the glorious Fourth by the American people Monday resulted in a smaller number of fatalities than in former years. Only eleven deaths resulted; 1,167 were injured and the total property loss by fire was \$164,000.

The Teachers' Institute.

The Powell County Teacher's Institute will be held at Stanton next week beginning Monday morning. All teachers holding certificates in the county are required to attend. Prof. W. R. Eubank, of Midway, who taught the institute last year, will conduct it again this year. It is believed that this session will be a most profitable one.

The Church Directory.

Through request, we begin this week running a church directory for the benefit of the Christian people. We wish to add to the list all churches in the county and in the vicinity of Clay City. If your church is not in the list tell us the date of appointments and the pastor and we will be glad to add same. We don't aim to slight any denomination or church.

The Picnic.

The picnic passed off very quietly Monday, July 4th. A very large crowd was here and every body seemed to enjoy themselves. But little trouble was experienced during the day by the peace officers, though several were placed in the lock-up. The Flying Dutchman was busy and afforded much merriment for the old, middle-aged and young. A shower of rain coming up in the afternoon, checked the progress of the enjoyment. The crowd is estimated at two thousand people and there must have been that number here.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Swann-Day Lbr. Co's.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my 'teens' again" writes D. H. Turner, of Dempseytown, Pa. They're the best in the world for Liver, Stomach and Bowels. Purely vegetable. Never gripe. Only 25c at Swann-Day Lbr. Co's store.

The TIMES office was flooded with callers Monday—picnic day—which we greatly appreciated, but it would require too much space to make personal mention of each one of them. We received a number of new subscribers on that day to help swell our already large subscription list.

IMPROVED TRAIN SERVICE

Offered by the Henderson Route between Louisville and St. Louis.

Commencing Sunday, June 26th, Kentucky's popular line, the Henderson Route, will inaugurate a safe and Fast Day service between Louisville and St. Louis in each direction, and will improve the time and equipment generally of all trains between these points.

These daily trains will be operated in each direction on the following safe schedules between Louisville and St. Louis:

Leave Louisville 8:30 a. m., 9:00 p. m., and 7:00 a. m. Arrive St. Louis 6:16 p. m., 7:30 a. m. and 6:16 p. m.

The equipment is brand new (just from the shops), of the most modern vestibule pattern and is as fine as on any train operating in or out of Kentucky.

The 8:30 a. m. train, through without change of cars, will be composed of Pullman Observation Parlor Cars, Free Reclining Chair Cars, Dining Cars and high back seat passenger coaches.

The 9:00 p. m. train, through without change of cars, will consist of Pullman Sleeping Cars, Free Reclining Chair Cars and high back seat passenger coaches.

The 7:00 a. m. train will have Parlor Cars, Dining Cars and high back seat passenger coaches.

The Dining Cars on day trains will serve meals a la carte—you pay only for what you get.

All trains will leave from and arrive in the Seventh Street Union Depot, Louisville, arriving at and departing from the magnificent new Union Station, St. Louis.

In purchasing your tickets to St. Louis or to points west, ask the agent for tickets via Louisville and the Henderson Route. He will have them in stock and will be glad to ticket you that way.

You will be satisfied in every respect with the accommodation and safe train service that is offered by this line, which has been termed the Official Route for Kentuckians.

MRS. CECELIA STOWE,
Orator, Entre Nous Club.

176 Warren Avenue,
CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a desolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

Cecelia Stowe

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.
